BIG CLEAN UP SALE

Sale Begins Saturday, July 6 **CLOSES IN
25 DAYS**

IN order to keep ones stock up-to-date it becomes necessary occasionally to clean up, regardless of cost, goods unsold at the close of the season. We must have the room for our New Goods and we also need the money to pay for them. We are determined to force out, regardless of cost every Spring article in the house. We bought heavily for the Spring season and find on hand at the close a large number of Ladies and Misses Suits, Coats and Dresses, and Men's and Boys' Suits that we must get rid of regardless of cost. Come and share in this bargain feast, where you can buy from our immense stock, at prices that will appeal strongly to the economical and frugal buyer. Owing to the unseasonable weather summer stocks of all kinds are much less broken than is usual at this time, which affords unusual opportunity for selection of seasonable goods at a great saving in cost. In these Mid-summer out-clearing days, bargain-wise people can harvest a crop of opportunities and get things they need later on as well as things they need now. The following brief list of cut prices selected at random will impress provident people with the importance of this event.

In the Women's Apparel Department

Every Garment in this department is absolutely new. No left-overs, as we added this popular department the past Spring. We propose to keep it up-to-date, and for this reason we are going to clean up every article in this stock regardless of cost.

REMEMBER EVERY GARMENT IS A 1912 STYLE

You are absolutely unrestricted as to color, kind or size, as the immensity of this off-ering—500 suits—affords ample latitude in all three directions.

Included in this great collection also are Cheviots, Worsteds, Serges, fancy Worsted, Black Tibbits and Mohairs galore. Necessary alterations will be made without extra charge.

This big "Cut" means to you not only that these are positively the greatest values in town, but it also means the chance to choose from new, seasonable stock and not from last season's leftovers and this year's lemons. Now you are the judge and the jury and it rests with you to say where and when you buy your clothes and how much you're going to pay for them. And it is for you to determine whether you are going to get the utmost for your money or just take anything that's offered you.

But you should be willing to compare values before you buy. I will take pleasure in showing you over the full line if you'll call.

A COMPARISO IS ALL I ASK! A COMPARISON WILL SAVE YOU MONEY.
